

Barbara Comber

August 15, 1941 - July 7, 2019

Barbara Ann Comber, 77, of Tinton Falls, NJ passed away at home on Sunday, July 7th. Barbara was born in Flushing, NY to the late Alexander and Margaret Styles.

She attended Brookdale Community College from which she received her LPN, and during her career worked at both Monmouth Medical Center and Jersey Shore Hospital in various capacities. During the last few years, she returned to Monmouth Medical a few hours a week working at the reception desk.

A perfect day for Barbara would have been spent in the Amish Country in Lancaster, PA, or with her grandchildren. Even better if the the two were to overlap.

Barbara was preceded in death by her husband Thomas J. (Red) Comber in 2007. She is survived by her sons Timothy (partner Paul), Kevin (wife Debbie) and James O'Rourke, and Thomas Comber; her seven grandchildren Chrissy, Heather, Ryan, Cara, Tyler, Callie, and Caitlin; her sister Patricia Styles Makely (husband Jim) and her daughter-in-law Judy O'Rourke.

Per Barbara's wishes, her life will be celebrated at a private gathering. In lieu of flowers, please donate to your favorite charity in her memory or take someone you love out to dinner. For online condolences, please visit Barabra's memorial page at www.bongarzonefuneralhome.com

“ So enjoyed our drives to PA, our great conversations and lunches. We had some great laughs and my mom and I appreciated all her support during my moms battle with cancer. Mom enjoyed working with her on G5. . I Loved talking to her til 1-2am. One favorite was night before her shoulder surgery we went to a diner in Philly, and they had gingerbread on the menu. She took it as a sign that her mom was around and I agreed. I've never seen gingerbread on a Diner menu. I've eaten there several times since and haven't seen it since then.
I will keep her family in my thoughts and prayers. I will dearly miss her and regret we didn't get that last lunch in. God Bless.

“ Barbara was one of my best friends at work. We would sit next to each other and share life stories, anytime I had a problem she was there to listen and offer winning advice. She always had a positive attitude about life. She was loving in every way. Her smile would always light a room up. She always wanted the best for people. She was a friend to all. Love you Barbara, you'll always be in my heart.

“ Barbara was such an asset to our department. During her time with us she touched so many lives and was always willing to go the extra mile for our patients. She loved what she did and we will all miss her so much.
