“ I was sad to hear of the passing of Ceaser, we spent some amazing times together over the years and he was a ture friend. His smile was infectious and we had some amazing laughs. We celebrated brithdays and wonderful moments at the cabin in New hampshire.

My heart goes out to Marc at the loss. I will remember him as a warm hearted and generous soul.

“ I am so very sad to read of Cesar's passing to a better place. I have known him while he was in Boston. Joy and a beautiful spirit is what comes to mind when I think of Cesar. A sense of mischief was ever present. Always making fun of the size of my penmanship! :) He held a special quality of making people comfortable and happy looking at his smile. He will be missed! Marc, I am so sorry for your loss! My sympathy to you and both families at this time of loss.

“ Cesar's friendship was/is a treasured gift. His powerful charisma was tangible from the first time I met him. That first evening was a dinner at Jay's house. Cesar was a bit late because he had a Closing. I was talking to "Cesar's" Marc and the room was buzzing. As soon as Cesar walked in, everything stopped. All eyes went to Cesar and all arms went around him. It has been that way ever since. The next memorable night was an awards dinner - yes Cesar was receiving one for outstanding sales- and people were lined up to say hello to Cesar. Cesar was a star - a white light in a harsh world. He loved without demands; he gave without expectation; he was sweet and kind and very generous. Cesar was loyal beyond words and ethical to a T. And no-one knew how to have fun like Cesar did. I will miss him wildly and love him forever. There is a part of my heart that will always belong to only him. Marc, please know I am here for you - no matter what you need -any time - any where.

“ I am very sad todayjust found out Cesar is no longer in this plane of life but he is still around. He has the most beautiful smile I have ever seen and his soul is solid. I know this from the time I saw him for the first time and then spending time with both of you.

Marc, I would love to do something for Cesar in Puerto Rico. I am here in the island and will wait for your call. I have been living here for a year and a half. I am never leaving.

“ Dear Cesar: You will be missed by many. I met Cesar in 2005 when we purchased our summer home with his help. He was wonderful to deal with during and after the transaction. A true professional. May he rest in peace. Charlene, Joseph and Jennifer Barbetta

“ Dearest Marc,
Our hearts are overwhelmed with sorrow for such a loss; not only our loss or yours, but truly everyone Cesar touched. The world has become a little gloomier without him. His laughter, smile, and attitude were what made Cesar such a wonderful person and character too! We know that he is already in the kitchen cooking something because there is no way he will eat whatever they are serving up there!
With deepest love and sadness

“ Dear Cesar,

You are and will be greatly missed. I consider myself blessed to have had the opportunity to work with you, laugh with you until I cried (oh so many times!), hang out with you, break bread with you and to have you as a friend.

I had no idea that day when Lucille introduced you to me in her office that you would prove to be such a joy to work with and would become a friend not just a co-worker.

Anyway, thank you for touching my life in such a positive way. I love you much. Brianna sends her love too.

Love you always,
Connie
