“ I know it has been a very long time since we have been in touch with each other but I have thought about you for many years. I want to send my condolences to you and will keep the family in my prayers. If you don't remember my name I lived in your Mom's house and have some very good memories of your Mom. Love Barbara

“ Benny, Maria, Phil, Gabby and Dean,

You are all in our prayers at this very sad time. We will pray that time passes quickly for you so that you can remember Chetta with a smile instead of tears. Hold on to each other for strength this week and remember that you have friends that are sending love and prayers and strength your way.

With Love, Sue Steve and family

“ Maria, may God grant you and your family peace strength and love through these hard times ~ you are all in my prayers.
To my Chetta,
I will never forget your kindness.
Its gentle warmth will continue to glow,
