“ It is always sad to learn of the passing of a childhood friend. That is what your mother and grandmother was to me as we went to Florence Ave. Elem. School and IHS together graduating in the class of '49, ever since kindergarten. In fact I lived on Chapman Pl. and also knew the the Van Duynes. Roger was our dentist in Butler for 28 years. I remember seeing your parents at a few reunions at Doolans and it was always fun to reminisce. We lived in a great time to grow up in Irvington and have many wonderful memories of football games, the marching band and friends. My heartfelt sympathies to your family and all who loved and cherished Dolores.
Sincerely,
Sally Alexander Hoogheem

“ My fondest memories are coming down to the shore and listening to Aunt Lorry, Uncle George and my mother (3 siblings) reliving their childhood often stressing the importance of family. They made sure they got together at the old homestead every summer, the laughter and the fun was priceless !

Rest In Peace Aunt Lorry
