“ Hayes Family,
I know that this is years late but its the first time I was able to find proof that the sad news was actually true. I've tried so long to believe it wasn't true. Kevin was one of the best friends I've ever known. He could always put a smile on my face no matter how bad things were. He was one of a kind with a huge heart. There really isn't a day that goes by that I don't think of him or of a memory him & I shared. I hope the years that have passed have brought you comfort & peace. Forever in my heart.

“ Our thoughts and prayers go out to you all. Terry, We remember Kevin so vividly. His smile & personality was always present, while umpiring the kids or us adults playing softball, waiting on anyone at the deli, or just around town. “

Dear Terry and family,

It is with the deepest sadness and heartfelt condolences with which I write this note. I will forever think of this young student who worked so diligently to improve his penmanship, make jokes of the games we played, and strived to be 'like all the other kids'. He was a joy and a blessing. He will be sadly missed.
