“ Lou,
I will tell you the same thing I told your father whenever I talked him. I always appreciated his time, patience, and understanding while he was my baseball coach. He, along with John Hovendon NEVER got too "old" to take the time to teach kids the fundamentals. He was a great coach and even better person.
Mr. Sig, we miss you greatly!

“ Dear Coach Lou,
Your love for football was evident every time you coached the Midget Football Team and stepped onto the field before a game. You gave it your all, and never hesitated to tell the kids where their strengths were. High school players would come by the practice field and visit with you for hours talking about how you impacted their lives by teaching them the rules of the game and how to improve themselves. You were a hero to many of the kids and you will be sorely missed. Thank you for all the years of coaching experience you brought to the team. May God watch over you and keep you in his care, Love, Denise, Bernie, and Matthew (#23) Showanes .

“ To the Family of Coach Lou my deepest sympathy. Coach, you turned a skinny little kid into a QB and you never lost faith in me. When I needed to get to a practice or a game you were always there. I'll never forget our "Bread and Butter" play Fake 32 /23 DIVE. I will miss seeing you, but will always think about you when I'm coaching. Thank you for being a big part of my life. Frank

“ What a wonderful man we have lost. Louie, I bet your Dad is up there taking Naya for a walk. I will miss tossing back some brews with him in the summertime, and I was lucky to have known him in my lifetime. Much love to you. Karen.
