“ Stan, Danny, Karen, My heart goes out to you and your dear ones at this time. It has been very, very long since I have seen any of you, but when I heard of Marilyn's passing, an ache opened in my soul. Marilyn is missed, but she will always be with us in the Lord.

“ My dear freinds, teachers, and mentors..

It has been many years since I was able to see and visit many of you, but I hold the memories of those times close to my heart. I remember with a smile how everyone would go to the Zack house and Mrs. Zack would greet you at the door with a giant grin and invite you with a lovely NY accent to come in for some "quwafee and cake". I remember how she jumped with joy when she heard about the birth of her first grandson, Gregory.....she was visiting with my mother at the time. I will allways remember those things and many many more. I miss you Mrs. Zack.

May your memory be eternal.
