“ Mr Zadorozny was present in the earliest memories I have. My Grandma Lewis lived across the street and his daughters were some of my first friends. I remember him as a man of few words who commanded a world of respect. rip Richie.

“ In my 28 years with the EFD, as line officer, President, or Relief Rep, Rich you were always a presence and helping hand. Even when things were going wrong or issues arose, you always listened first, then offered a suggestion that everyone could agree or at least consider. Dedicated, fair, heartfelt, and kind are just some of the words that come to mind when I think of all my interactions with you. As an executive officer, you made some rough times for me a little easier, by the way you stepped up and took care of the "paperwork"! You always saw the "Big Picture" and didn't sweat the little things...almost always making a suggestion to get the job done. Rest easy now.... it won't be easy... but we'll carry on... problem is, most of us won't know where anything is! Our prayers and sympathies to the entire Zadorozny Family....

“ Rich...I can't thank you and your Dad enough for the friendship you both showed me at times when I really needed a friend. You are such a great man! You made my time and service with EFD more meaningful. Sometimes we only get to know people for a certain short period of time...and even at that, they can have a lasting impression on you, maybe even change your life in some ways. I love all that you gave to our beautiful community. Your example will live on forever Rich. Anyone who knew you, even for a short time, loved you. My thoughts and prayers are with your family and with your extended family all throughout Eatontown. This most wonderful community has lost a brother. May your journey to serve G_D be easy...as you take on the role of Guardian Angel and watch over your loving family and friends. Give your Dad a hug for me too.
