“ I was saddened to hear about Susan's passing. I will always remember the first time meeting her. At the Newark Airport, she and I climbed in the back seat of the big dark green Lincoln and we talked all the way home....early 80's. We always enjoyed our visits and she adored my daughter. I will always remember our trip to Cancun. We had an awesome and unforgettable time. Through the years we kept in touch at Christmas time until not long ago. May your fond memories and the beauty and love that surrounds you always be a source of comfort and support. My sincere sympathies to her three beautiful children and her loving family.

“ I am heartbroken. Susan and I started at Anthropologie at the same time, we were instant friends. She was a terrific co-worker and just a genuine person. She was so proud of her kids. She spoke often about them and her sister and boyfriend and her former husband. I didn't know them but I knew her and my heart goes out to all of them, such a tremendous loss. I'll miss her beautiful light! I'm so sorry I missed the services, I only found out today. Totally devastated. She was so loved.
