“ dear George, We would like to express our sincere sympathy on the death of your beloved Sue. She was sweet and gentle, and she was very beautiful, too. To see the two of you together was to witness the embodiment of love, care, and loyalty. Sue depended on you every day, and you never failed to guide her, comfort her, and shower her with your abiding devotion. We always looked forward to our regular Thursday dinners with you and Sue in the Fireside restaurant here at Seabrook, and we were amazed at her wonderful appetite and smiling disposition. We know you will miss her deep in your heart. We will also miss her presence in our lives, she was so special. Warmly, Diane & Sue
