

Alan Traettino

February 16, 1960 - December 29, 2023

In Memory of Alan Traettino (February 16, 1960 - December 29, 2023)

Alan Traettino, born on February 16, 1960, in Newark, NJ, son of Carmela and Alfred Traettino, and brother to Donna Zielinski and her husband Michael, and Karen Imperatrice and husband Dan, passed away on December 29, 2023. Alan is also survived by his sister and brother in-laws, Laura and Dave Stortz and Patricia and William Schmitt and numerous nieces and nephews he adored. He leaves behind a legacy of friends and family and many accomplishments.

Alan had a distinguished career in the pharmaceutical industry, notably serving as Vice President and Head of Global Regulatory Affairs for Bausch Health Inc. His career journey included leadership roles at other renowned pharmaceutical companies such as Pfizer, Stryker, and Merck. In addition to his corporate roles, Alan was an Adjunct Professor at Temple University's School of Pharmacy for 17 years, sharing his expertise and influencing the next generation of professionals pursuing their master's degree in drug development.

Beyond his career, he found his greatest joy in his family. He leaves behind a legacy of love and laughter, survived by his devoted and beloved wife, Rosemary and dearly loved children Frank, Michael, Gianna and her husband,

Daniel. Anticipation for his soon-to-be-born granddaughter already filled his heart with immense joy.

An original, funny, and loving family man, Alan Traettino will be remembered for his unwavering commitment to both his professional pursuits and the people he held dear. May his legacy inspire others to strive for excellence and cherish the bonds of family and friends.

In lieu of flowers donations in his memory may be made to StacheStrong at <https://www.stachestrong.org/>

“ *I just heard about Alan's passing and I feel so sad. Alan and I worked at BMS many years ago and I sat in front of his office. He was the nicest man with the best sense of humor. Did I mention how kind he was? If I was having a rough day, he never hesitated to have me come into his office and cheer me up. And we talked about his family a lot and it was evident how much he loved them. I will never forget Alan. He was truly one-of-a kind and a wonderful person.*

“ *Alan, you are so deeply missed. You were the most special client and friend I've ever had the pleasure to work with. You were such a light for me and many. Those lucky enough to have the opportunity to know you, are truly feeling this loss. I always told you "you're a rare human in every way." His response was always comical and I will hold onto those conversations. Rest in Peace, Alan.*

“ Oh my friend, I can't believe you've left us. You were the most wonderful client and friend, my teams loved working with you and saw you as a great mentor and friend. They don't make them like you anymore my friend and the world is a poorer place because of that. Sleep well among the stars. John C 🍀

“ *Deeply saddened to hear of Alan's passing. He was a tremendous colleague, teacher, mentor and friend. I had the honor of working with him a few years ago, and most recently was a student in his last class at Temple. He was equal parts professional and fun, and honest to his core. I will miss him tremendously and keep his family in my prayers.*

There are no words... we became friends when we worked together at Optinose and we were in touch after that. He made our days bright with his cheerful demeanor and dry sense of humor. I wish the family our heartfelt condolences. RIP, my friend.

“ I had to the great honor of starting my career knowing Alan, and then the greater honor to work with him again almost 20 years later. His wry sense of humor, his laugh and his kindness were always visible to all that had the privilege of knowing him. I am truly saddened by this great loss, and I send all my thoughts to his family. Alan was a wonderful leader and an expert in his field, but I’m sure that Alan has left an even greater legacy in his beloved family. It was clear to me in my time knowing him that family was always near to his heart - and always a priority. I am so very sorry for all of our loss.
