

Alfred P. Bermejo

May 6, 1968 - August 26, 2025

From the Long Branch Fire Department Chief: Alfred "Al" Bermejo captured the history of our department through the lens of his camera. No matter if it was 2:00 PM or 3:00 AM, Al showed up, camera in hand, documenting the moments that told our story.

Al never asked for money or recognition, he gave his time and talent out of love and passion for this department. He was the true definition of a volunteer. His dedication lives on in every photo and every memory he preserved for us. Though he preferred to remain behind the camera, his impact is forever in front of us.

Rest easy brother, we have it from here.

Al's memorial service will be held from 6 to 8 pm with the Long Branch Fire Department's service at 7:00 on Friday, September 5 at Bongarzone Funeral Home, 2400 Shafto Road, Tinton Falls, NJ 07712. The family has requested to please omit flowers. For online condolences, please visit Al's memorial page at www.bongarzonefuneralhome.com

“ For Al. We were photography friends for years. Al had a big heart and loved beautiful things and being part of the team at the Long Branch Fire Department. His photos and knowledge were amazing and he helped others by sharing his expertise willingly. Al remembered birthdays with a special message and one of his best photos.

High Flight

by John Gillespie Magee

*Oh ! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings ;
Sunward I've climbed , and joined the tumbling mirth*

*Of sun-split clouds , - and done a hundred things
You have not dreamed of - wheeled and soared and swung*

*High in the sunlit silence . Hov'ring there , I've chased the shouting
wind along , and flung My eager craft through footless halls of air ...*

*Up , up the long , delirious burning blue I've topped the wind-swept
heights with easy grace*

Where never lark , or ever eagle flew -

*And , while with silent , lifting mind I've trod The high untrespassed
sanctity of space , Put out my hand , and touched the face of God .*

For you, dear friend. ❤️🕊️

“ Al William our friend always loved a good sunburst, I remember he was probably the first to give me decent tips on how to capture them well.

So this ones for you Al William and I've left the red sun flares around the star as well as homage to the number of Red Fire Trucks you captured over the years.

Your Star will be shining brightly up there mate 😊

“ Heartfelt condolences to Al's family. I met him virtually through a photography group. Though we'd never met in person, he was so easy to talk to and always so helpful with advice when I'd go to him with questions about cameras and photography. I'll miss our talks and his marvelous photographs. He was a good man that I'm proud to have known.

Like others who have posted a comment, I met Al through a mutual photography group where his photos reflected his love of beauty and how much he valued his ties with the Fire Department at Long Branch. Al loved being part of both teams and he willingly shared his expertise, advice and friendship. Al would acknowledge the birthdays of fellow members with beautiful words and one of his magnificent photos as a tribute. He had a beautiful garden and was gifted in floral arrangements and indie decor. Rest easy now Al. We will never forget you. You will be greatly missed. ❤️🕊️

Al was a very wonderful friend. We became friends through photography. When I told him how much I adored NYC he said come to see me. I will take you on a special NYC photography tour. I intended to. But due to illness and surgeries I had to get well and become strong enough to enjoy my time with Al. Sadly we both had to deal with difficult treatments. I spoke to him and said, once we are both strong enough I will come to NYC for my very special photography walk 🌞 I'm so very sad we never got to meet. He was a wonderful friend in our special photography group. He touched all of our hearts in a very special way. Al, I will come back to NYC and will do my photography trip with you in my ❤️🌞 Sending love to you and your family 🌹🌸💕💕
