

Allie B. Law

June 11, 1936 - July 16, 2020

Allie or Alice (friends call her) or Titty (family members call her) was born on May 11, 1936 (recorded by Mid-Wives as June 11, 1936) in Putnam, Alabama to the late Mattie B. Pope and Wiley Christian. She attended Mobile County Training School in Mobile, Alabama and was on the Majorette in the band. Allie met and married her first love (my father) John Franklin Law (deceased 2005) Together they moved to Chicago, Illinois in 1955 where she lived most of her adult life. Allie worked for Marriott/Sky Chef, as a catering service specialist for American Airlines (back in the day when meals were part of your flying experience). Allie remained a hard working and dedicated employee until her retirement. In February 2020, she moved to Eatontown, NJ to live with her daughter Joyce and her family.

Allie was one of the people in this world who had a positive impact on everyone who came across her smiling face. Her favorite saying was "Put a Smile on Your Face". She loved her family and her friends and there were many. She always believed that God would make a way. She did not have much but what she had she shared. Allie was a Christian woman who believed in God and his Son Jesus Christ with all her heart and soul.

Allie is predeceased by her parents Mattie B. and Wiley Christian, her sister Bettye Atkins, and her brothers Timothy Williams, Wiley Christian II, and Clifford Christian.

Allie is survived by her daughter Joyce Anderson (Law), son-in-Law Ralph Anderson, her granddaughters Keisha (Jon), Mariah, and Jocelyn, her great-

grandchildren (Keisha) Keshawn, Isiah, and Rori, her sisters Jannie Harris and MaryAnn Loyd who both currently reside in Kansas City, Missouri, and a host of nieces and nephews including Shelton Dunning (RIP 1999), Tony Dunning (Vivian), Orlando Dunning (Lillian), the nephews she loves, and helped raise like her own.

Allie's life will be celebrated with a memorial service at 2 PM on Saturday, August 1st, 2020 at Bongarzone Funeral Home, 2400 Shafto Road, Tinton Falls, NJ 07712.

“ *From Email*

Ralph,

I want to reach out to extend my condolences on the loss of your Mother In-law Allie Law. We were looking forward to having her as a resident at the Meadowbrook. Please pass my sympathies on to your wife, losing parents any age is heartbreaking. As you probably aware, the staff did follow normal protocol of changing the locks on the apartment, if you require access for any reason the site staff has been instructed to allow you and your wife access.

Again, sorry for your loss. Be well, be safe, and reach out if you need my assistance for any reason.

Sincerely,

Mark C. Sheil

“ Tribute to Mom from Courtney

Our family has loss a great mother, great/grandmother, sister, mother-in-law, aunt and cousin. My Aunt Titi is one of my mother's older sisters and the only aunt who I allowed to call me Cortny and not Courtney😂. She knew she could mess my name up and I was okay with that because I knew she loved me no questions asked. We spent many summers in Chicago with her and other family and always had a good time. She made an impact on everyone she touched. She didn't play tho😂. We never tried her either because her voice would change when she got serious😂👊.

My late husband wanted to make sure he saw Aunt Titi before he passed. We flew to Chicago September 2008 and he was able to see and talk to Aunt Titi and he was forever grateful he was able to say goodby to her. After he passed, she would call a few times a week to check on me. This went on for about a year. I'm glad I got the opportunity to thank her for her support and love during my loss.

She is one of the most consistent people I know. She always remembered my entire family birthday's and Christmas. We all looked for our Aunt Titi Bday cards because she had 2.00 bills in each and everyone every year. She's the reason I even knew a 2.00 bill existed. The older I got, I was more grateful for her remembering me. What a blessing she has been to our family and she will be greatly missed.

Aunt Titi, say Hi to Big Reggie and watch over us until we see each other again. Heaven has gained another special angel👼. Your niece Cortny❤️

“ *Tribute to Mom from Uncle Glen*

Thank you for the music niece, in 1976 I had received a notice from my employer the United States department of justice that ther was going to be an opening in Chicago as a community programs officer and that I should consider putting in for it. I at the time had three young daughters an had just built a house in Kansas City and had very little money.after discussing the pro and cons of such a move we.determined that we could not afford for my wife to quit her job so if I accepted this position I would have to go alone and commute back and forth from Chicago to Kansas City. I then realized that I didn't have a place to stay in Chicago, so I called my sister in law Alice and she didn't hesitate one second and said Glenn you can stay with me wow this was my answer to the prayer. Over the next 4 years Alice my sister in law treated me like she was my big sister, cooking, cleaning and yes directing my every move. Lol she made my stay with her an event of love and care as she would do a thing necessary to make my stay pleasant. I want to thank you sis as I fondly called her for the love and compassion that you showed me Omer the last 63 years you have known me.joyce , Ralph and all the grands and great grands you had a wonderful mother and treasure the memories.

Joyce my heart was saddened to hear about the loss of your mother. Her simple acts of kindness meant the world to ma and made her special in my life. Her unique \$2 gifts aoke volumes about her determination to show her love to her family. I mailed a memorial to her address before realizing the had moved and I hope that it is returned so that I may send it to you. I love you.

If there was one thing I could count on in life, its that I knew that I was going to get a birthday card from my Great-aunt Allie B!!! With a crisp \$2 inside. Ever since I could remember!! 1 of my Madea's 7 children. She gave the best hugs and was the "sassy" aunt with her signature blonde hair and a face full of beautiful moles.

Times like these, really make you realize family is so important. Cousins Ralph, Joyce, Keisha, Mariah, and Jocelyn.....I love y'all. I can't wait to be able see you, hug you, kiss you. Our family has had another great loss.

And now there are just the 2 girls left. My Grandma Janie and my Great Aunt Mary Anne. The oldest and youngest girls. I imagine they'll grow even closer now and I find solace that even as I type this, they're in my mom's kitchen watching TV.

I love you Aunt Titty❤️❤️❤️❤️
