“ Jill, Andre and Dylan, and family

*My thoughts and prayers are with all of you. I only wish I could be there with you. Andre will always be in my heart as he was one of my nephews. I am just happy to have had the opportunity to know and love him. His smiling face and charming wit will always be with me always. When he told me on good-bye on Thursday night, I did not know it would be for the last time. Please know that while he is no longer here with us, he is now in the loving arms of God who will take care of him forever. I love you all and will see you soon.
