“ *My prayers go out to the family. Mrs. Kasper was a blessing to South. I will miss her and I know many other students will too. Although she saw thousands upon thousands of students, she managed to remember my name and face. She made relationships with people instead of doing her job and walking away. South will not be the same without her and I hope she knows that wherever she is.##imported-begin##Grethe Elizebeth Carmichael##imported-end##*

“ I was so shocked and saddened to learn of AnneClaire's sudden passing. I cannot begin to tell you how much I respected her and valued her opinions. We shared several trips to Disney with the WWPB-S Seniors and I will always remember her great smile and love of life. I know the cherished memories you have of her will keep her alive in your hearts and spirits. So very sorry.

Fondly,
