“ *Oh daddy how much I miss you I'm gonna cherish the seven weeks I spent by your side, taking care of you cooking your favorite foods for you although it was tiring at times it was all worth it and I'll do it. I would do it again all over again. I hope you reunited with Mom that's the only thing that makes me feel good is knowing you're with her because that's where you always wanted to be. It's been a hard six years for you without her. I love you, daddy. Please give mom a big hug and kiss for me.*
