“ So many fond memories with Tony it was not easy to narrow down one. A man with a "Heart of Gold" who shared this infectious smile with so many. One who always greeted you with a smile and opened his heart and doors to all. I will never forget all the knowledge he shared with his zest for one to learn and benefit from his wisdom. Myself, you taught me the Greek language, the culture, from card games to dancing.

Which brings me to a very memorable event. The wedding of Michael Paul Chrysanthopoulos. his nephew, the last of the Michael's (namesake) to marry. Where he rose to the occasion, by grabbing a napkin to proudly show his dancing and heritage. He not only danced the entire song but all rose from their seats to do same. Such a "Special" moment to then turn to me and say "Mori I did it" I had tears in my eyes as I snapped away with cell camera to capture this unforgettable day. The gates to Heaven will receive him with open arms as he leaves on this new journey. It was and will always be an honor to have had him in our lives. He will be missed but never forgotten his memory will always linger in our heart..
