*I've known her for 7 years but the last 2 years we worked together at the Natural Pharmacy. We instantly became great friends. I looked forward to the days we worked together. Her smile, her beauty, her love of God and the Bible was just a part of how special she was. We talked on the computer and on the phone and she was always there for me as I was always there for her. I will miss her so much...it's just not the same without her. She was a wonderful beautiful person and now she is in God's arms. XOXO*

*I've known Arlene for many years....She was a breath of fresh air, loving, kind, considerate, a very godly woman...we often talked about Jesus. She made everyone feel important. My husband would call up Natural Pharmacy and disguised his voice, she always feel for it...many laughs together. We will miss her...Now she is in presence of her Savior. Love her, until we meet again...xoxoxoxo*
