“ My heartfelt condolences to you all. The only time I met Avis was at Kevin’s wake. Sat next to her for 2 hours, held her hand and the rest is history. She was the kind of human that I love. Left her mark in one meeting which happened one of the saddest days for her family. She definitely passed down to her daughter, Nancy a specialness of pure kindness, insane sense of humor, generosity and love.

“ *My friend Avis was a fun loving and true friend. She was always ready and willing to take trips (get lost with me) and have lunch in all the unusual restaurants I would select(health food, gluten free, Thai, Amish, Asian, and even Mc Donald's). We had wonderful times together and she will be greatly missed*
