“ What was it like to be the younger sister of Bebe? Let me share one memory...at approximately 15 and 18 years of age, my sister and I went to the Embassy Theater in Newark. As we sat there, the woman in front of ME, kept tossing the back of her hair thinking it was caught in something. After a few minutes, the woman stood up, turned around, and hit ME on the head with a large handbag. As I held my head and exclaimed, "What did I do?" I could feel my sister shaking in laughter. I then realized that she had been tugging at the woman's hair all along.

Bea, for a few more years with you I would gladly take the hit again, and perhaps this time, would laugh along with you!

I miss and love you. Your sister, Vinnie

“ *I will never forget all our summers in Ortleigh beach, and what a wonderful best friend she was to my mother Minette. BB was a beautiful person inside and out. Now she and my mother are together again having coffee or a drink, maybe on the beach.*

Love you all, with my deepest sympathy, Terri Capasso

“ *I will never forget how welcome she always made me feel, from the first day I met her way back in '93. I honestly had never met anyone before who made me feel so welcome and accepted. I felt like a part of your family, from the moment I said my first hello. I feel so blessed to have known her. She had an amazing smile that could brighten up any room – with an enormous heart to back it up. It is such a rare gift to make everyone you meet feel special, and I am so happy that I was able to experience it, and so sad to say goodbye. In my heart and in my prayers you will always be. In appreciation of a truly wonderful woman, lots of love, Alyssa*

“ I will always remember Aunt Bea Bea’s infectious smile and that twinkle in her eye! I was always greeted with that warm wide smile, kind words and always laughter!
My memories date back to my childhood – school lunches, ice skating, various holiday celebrations throughout the years and my favorite times in Ortley where we all gathered on the beach from sunset to sundown laughing the days away – I’d give anything for the return of those days... The last discussion we had, her closing words to me were, “Don’t worry about what anyone thinks; just be happy!” Oh, how true...RIP Aunt Bea Bea. XO Love Joanne

“ I miss you Mom, more as each day passes. You would be here in the pool with the kids as you have always done. I wish my dreams were reality and you were still here with us, but then I wake up and realize you're gone. I love you Mom, more today than yesterday, but not as much as tomorrow.

“ I am so saddened to hear about your mom, grandma, wife's passing. I have such fond memories of her growing up 2 doors down. Mrs. Borbone was always smiling and so sweet. Please know that the whole Boginsky family is thinking of you during this very difficult time.

“ I've known BB my whole life. I was a little boy on north 11th street just a few doors down from her mother and sister Vinnie shortly before kindergarten when I fell in with that whole clan of Sparno/Inga/Borbone cousins and those relationships endure to this day (some 40+ years). It has been my privilege to call all of you my friends and to have been a part of your family. My heart has been heavy since I first heard the news of this lovely woman's illness. May she rest in peace and may all of her loved ones, my friends Johnny, Chuck, Tommy, John, Mary Jo and my beloved friend Michael, as well as Vinnie, Tom, Norma, and all her grandchildren, nieces and nephews, take solace in the blessing she was to all of you. She was a nice person and she will be missed

“ BB, when I met you I was very sick and in a very dark place. You were the ray of sunshine that turned everything around for me. I remember our many conversations; some lasting well into the wee hours of the morning! I truly wish I could have had more time with you, but I am thankful for the time that I did have. You we're truly inspiring and I will never forget you. I know that you're in Heaven, at peace, and of course, rooting for The Yankees! And to BB's family, James and I send our most heartfelt condolences.

“ Mom, you were our Life, Christmas, Easter, Halloween, Birthdays, Thanksgiving and everyday of the week. always made special. You knew all our favorite meals and treats like my butter nut crunch in my Easter Basket even when I was 50. It never mattered our age, we were always your children. You started to shop for Christmas all year long so all five of us had at least 25 or more wrapped gifts to open on Christmas morning. Every birthday you made our special meal. You taught us to love and respect our elders especially our grandparents. God gave us MaryJo's babies for a reason. They are a part of your soul and love. You are living in all of us to make daddy more peaceful. I LOVE YOU MORE TODAY THAN YESTERDAY, BUT NOT AS MUCH AS TOMMOROW! If I could only hold you one more time.....I Love you with all my heart

“ The sad news reached us here in Louisiana and it's so hard to believe. My fond memories go back to 1943. First Ave school, playground, Teen Ager years, weddings, babies and our fabulous Long Branch. Bebe and I would stroll our sons both Chuck to Bloomfield Center. The fun times went on as married couples. One of my favorite sayings is A Long Life is Never Good Enough but A Good Life is Always Long Enough and Bebe had a Great life , good husband beautiful family and faith. May the Good Lord wrap his arms around you John, Vinnie and all the family.

Fondly,

Bernice and Charley Hoffman

My heartfelt condolences to the family. Bebe was always the light in the room. The warmth of her heart shone brightly through her eyes. She was very special and i loved her. She is now at peace in the company of departed family and friends. May the void created by her passing be filled with the love you have for one another.
