“ *I remember your wedding like it was yesterday. You looked so beautiful, little did I know how beautiful you were on the inside as well as the outside. I've always enjoyed our family times together although I wish their could have been more. I know you were met warmly at the gates of heaven for all of God's work you did for him on this earth. Our thoughts and prayers are with you and your family. Rest in peace Bonnie, you are loved...xo*

“ *I fell in love with you the second I met you, as you tried to put Little Billy to sleep when he was about two. Your love, patience, grace, humor, and warmth, were so evident that night.... My heart aches, and sends deepest sympathy to all who were blessed to call you family or friend. Rest in peace sweet angel, until we meet again....*
