

Carol M Broyles

December 24, 1943 - March 1, 2021

Carol M. Broyles, age 77, passed from this life into the next on Monday, March 1st, 2021, while at home with family.

Carol was born in Philadelphia, PA. She grew up in Eatontown, New Jersey, and raised her family there alongside her loving husband of 58 years, Jacob Louis Broyles, Sr.

Carol was a loving and devoted wife, mother, “Nanny”, sister, neighbor and friend. She lived a life characterized by inner-strength and sacrifice. She did what moms do best, she gave; always giving more than she received in return. Her passion was her family and she was deeply involved in the lives of her children, grandchildren, and great-grandchildren. Carol was an avid crochet “artist.” If you are reading this, then there is a good chance that at some point you received a blanket, mittens, stocking or outfit for you or a family member. Her cooking, card writing and gift giving were legendary. The family will greatly miss her unmatched meatballs and sausage, home-made gravy (spaghetti sauce to some!), matzah ball soup, pumpkin bread, chocolate cream pies and one-of-a-kind “hot dog stew.” Her enthusiasm for holidays, especially Christmas and Halloween, blessed the lives of many. Her family was spoiled with boxes and boxes of wrapped gifts at Christmas. Kids from all over came to her house to receive some of the largest treat bags ever given out at Halloween. May her life of steadily “being there” for her family and

friends, remind us to count our blessings every day, share our appreciation and words of love for each other while we can, and live lives that look out for the interests of others. Carol taught us these things by her example.

Carol M. Broyles was preceded in death by her parents Clarence and Wanda (Clark) Ingledue, siblings Margaret, Joseph, Maryann, James and Cecelia. She is survived by her husband Jacob L. Broyles Sr., son and daughter-in-law Michael and Tina Broyles, daughter Wanda Broyles (Crist), son Jacob L. Broyles Jr. (Lou), son and daughter-in-law Scott and Lisa Broyles, brother/son-in-law Edwin Brister, 11 grandchildren, 9 great grandchildren, and numerous friends who are considered extended family.

A private graveside ceremony will be held at a later date.

In lieu of flowers, memorial donations can be made to POAC (Parents of Autistic Children), 1989 Route 88, Brick, NJ, 08724.

“ *To all the Broyles,*

*I am so saddened to hear of Carol's passing. Us Bennetts were all very close to your family at one time and we shared many a Christmas Eve together and various picnics/backyard barbecues through the years. Us Bennett girls called her Aunt Carol as well as Jake, Uncle Jake and Mike, Louie, Winnie and Scot were our 'cousins'. Carol and Winnie babysat my daughter Jenny for several years, and she too called her Aunt Carol. To know God is to know a supernatural peace that surpasses all understanding. May you all take this time to draw close to God and He will draw close to you.
Sincerely, Kathy Bennett*

“ My Aunt Carol was the matriarch of the family. She was there to help take care of all of us growing up. She was 9 years older than me and Aunt Celie was 6 years younger than me. My grandmother passed away at the age of 49 and Celie was 5 years old. Aunt Carol raised her as her own and when Celie passed, Aunt Carol not only lost a sister, she lost a daughter. Her grief was very hard on her and I know just what she was going through having lost my son. We talked about this and kept telling each other to stay strong and one day at a time.

My Aunt Carol passed from a heart attack due to a side effect of Covid and I believe a broken heart.

I love you and will miss you so very much. You were the rock of this family and the last of your siblings to pass. There's a giant hole in this family now where you once stood.

I miss you so very much already. May you RIP in Heaven with Celie, my mom Maryann , Uncle Jimmy, Margaret and Joseph. 😞😞😞

“ Mom was one of my biggest fans. Always the encourager. I have dozens and dozens of videos she took of shows. I might have played “The King” but she was the true Queen. Here’s a clip of one of her favorites I put in the show just for her. Always did it for her. Here at one of my last shows. Love you mom. ❤️❤️ Michael

“ *The Broyles family is an Eatontown institution! I had all the children and grandchildren during my years as principal of Memorial School. Carol and Jake were wonderful parents and grandparents and were always there to support their kids and grandkids. It was my good fortune to have known them all.*
