“ Mom,
I can't believe you have been gone for 2 months. You were taken much too soon. If only heaven had visiting hours and a phone. What I wouldn't give to see your smiling face one ore time or talk to you again. I miss you so much and love you more than you will ever know. I will never forget you!

*Love always,
Nancy*

Thank you Elisse. Even though my mom hadn't seen you in many years, she often asked about you and your family. We had so many good times over the years. We will miss her dearly.
