You are all in our thoughts at this difficult time. God has received another Angel, "Catherine". Her journey here on earth was a difficult one but I always said she was put here for a reason, and to me it was to show that miracles do happen. She fought so long and got tired. We will never forget Catherine, and I can say it was a true blessing to know her. Blessing to the Zadorozny family always. Love from the Buscemi's
