“ Hi Charles. This is your sister Norma. I miss you Charles. Remember how you used to call me Norma TaTa? I do. I remember how you loved your pigeons and that black dog that would scar me half to death every time I came home late at night. You were such a joy and even though we didn't talk on a regular basis you knew that I Loved (Love) you. And I knew you Loved me. You are missed. We Love You. Your Sister, Norma TaTa
