

Claire L. DeLuca

August 25, 1933 - September 23, 2022

Claire L. DeLuca (Grandma Lucy), 89, passed peacefully on September 23, 2022, at her family's home in Oakhurst. Born in Newark, she worked in a variety of fields including sales, office work and modeling before moving to the shore area to raise her family. She enjoyed dressing well, taking walks and good quality food. She read many nutrition and medical books and was always eager to share the information, as well as send a neighbor a great meal she cooked.

Claire was devoted to her family and always concerned about their well-being. She had a soft spot for giving whatever she could afford to various charities including injured veterans, orphaned children, and poorer organizations in the Catholic faith. Her strong-willed nature and faith in God helped to keep her living independently until the age of 89. Claire had a great devotion to praying the Holy Rosary and to our Blessed Mother. She was a wonderful grandmother and great friend to her granddaughter and is deeply loved and missed by her family. Claire was predeceased by her husband Martin O. DeLuca and is survived by her daughters; Diane DeLuca, Maria Novick and her husband Michael, granddaughter Martina Novick. She is also survived by nieces and nephews.
