“ *Suzzie,
Words can not come to my lips to express how much I will miss you. You were always there for a shoulder to cry on or positive words to help one through difficult times. I will never forget the good times we had, and the great conversation. I will always remember the first time you started introducing yourself as my other mother, and calling me your son. I love you so much and I will miss you immensely. I know it doesn't hurt anymore. HUGS for eternity##imported-begin##Shawn W. Hannah##imported-end##*

“ Sue,
You left this earth way too young. You made your mark for women in police work and made Tinton Falls PD your home.

Now you're in your new home, Heaven, with all of our other brothers and sisters.

Be peaceful my friend.

“ Sue will be greatly missed by all and was a dedicated police officer. My fondest memories of her, when I worked as a crossing guard, she was very supportive and always stopped to say hello. Her true love for animals, she gave her beloved rabbit "coco" to my son Robert, which brought him great joy and fun. My deepest sympathy to the family.

sincerely

“ *"If tears could build a stairway and memories were a lane,
We would walk all the way to Heaven, to bring you home again
No farewell words were spoken, no time to say good-bye
You were gone before we knew it, and only God knows why
Our hearts ache in sadness, and secret tears will flow
What is meant to lose you, no one will ever know"###imported-
