“ I'm Sorry to hear about your mom Lori. Your mom helped bring you into this life and you gave such great help helping her cross over to her next beautiful life of Love and Light Lori. Now, you have another special Angel watching over you. She is Free of this worlds pain. You are Free not to worry about her well being, which I know you did for a long time. We are not of perfection in this world. We do the best we can. You did the best you can and your mom did the best that she could do. It may not make sense to others. And not even make sense to us but it makes perfect sense in God's beautiful Light. Now, you can connect with mom anywhere at anytime with a whisper or thought.

Love and Light,

Billy Caputo Gaccione

“ My sincere sympathy to you Lori and Glen on the loss of your dear mother and to Ron Fonseca on the loss of your dear sister. She was a beautiful woman inside and out. I have lots of beautiful memories of her from South St in Elizabeth when we were little kids and then when I married and lived on South St. Rest in Peace with our Dear Lord and now you're with your mom and dad. “ *Most of my memories with Cynthia were when we were growing up on South Street, going to Ocean Gate in the summer. The last time I spoke to her was about 6 months ago. My deepest sympathies go out to you and Glenn and may she rest in peace. Sad time for all of us.*
