

## David W. Alcott Jr.

June 29, 1945 - December 29, 2024

David Wallace Alcott Jr. "Wally", 79, of Eatontown, passed away on Sunday December 29, 2024 at Jersey Shore University Medical Center. He was born in Newark, NJ to the late David and Margaret (Fink) Alcott. After graduating from High School he worked as a machinist in his father's engineering and industrial design firm. His main career was as a computer programmer in major telecom companies for over 35 years.

Wally had a talent for playing the classical guitar and flamenco and could be found playing his guitar with complete contentment. He was a train buff and favored the Lehigh Valley Railroad. Wally was a Freemason, becoming a mason in 1967. He rose through the ranks and earned Worshipful Master at Washington Lodge No. 9 in Eatontown.

He often went down by the water, enjoying fishing or a casual conversation with a stranger. He welcomed people of all walks of life, treating everyone the same and just enjoying great conversation with them. His selflessness reached everyone as others happiness was his happiness. Memories of trips to Collingswood for pickles and teaching his grandchildren to drive are just a

small piece of the cherished time we had with him.

His dedication to his family was strong, but his undeniable adoration and love for his wife Yvonne, of 55 years, was the most prominent to everyone who knew them. A man of everyday greatness, who had a pleasant demeanor and a great laugh. His absence will be felt deeply.

He is predeceased by his wife, Yvonne Alcott.

He is survived by his loving children, David W. Alcott III, Stephen Alcott (wife Kimberly), Andrea (wife Katherine), his cherished grandchildren, Justin (wife Mirella), Julia, Austin, Amelia, Aidan, Shane, Caitlyn, Megan, Brendan and Brielle.

A Memorial Celebration will be held at the Bongarzone Funeral Home, 2400 Shafto Rd., Tinton Falls, NJ 07712 on Saturday January 11, 2024 from 1-4 pm with a Masonic service beginning at 3 pm.

In lieu of flowers, memorial donations may be sent in Wally's memory to the American Heart Association.

“ We were traveling and Wally recommended we hear Fado music on our trip. We did and when we returned told him how much we enjoyed it. He went into the whole history of Fado. He was always amazing about how much he knew about so many things and loved sharing it with people. He was the proverbial story teller 😊.
