“ Dear family and friends of Dolly - some pictures from happy days at the Zeller shore house with family. Dolly loved the parties. She was a beautiful person and met adversity with courage - a real trooper and fun to be with even when she wasn't feeling well. She was taken away too early and we will miss her very much. Our condolences to you all. Love, Mary and Nathan Waldman###imported-begin##Nathan Waldwan###imported-end##

“ I had the pleasure to know Dolly as her dental hygienist at Dr. Falivene's office in West Long Branch. Through the many years and visits, we had wonderful conversation and many laughs and i looked forward to our visits. Dolly was always a sweet lady and my prayers go out to her family and friends who will feel the void... I will remember her fondly..##imported-begin##Joann Ceravolo##imported-end##

“ Dolly was my baby sitter when she was 15 years old (my brother Ted and I were 7 and 6, respectively). Dolly was a live wire and a lot of fun. We reconnected later in life and got to meet Lester. Dolly's parents and mine were very good friends when we lived in Long Branch in the late 1940's. Dolly was like an older sister to me and I will miss her.##imported-begin##John J.
