

## **Dominick Pasqua DiBisceglie Jr.**

March 12, 1940 - January 28, 2021

Dominick “DomDi” Pasqua DiBisceglie of Ocean Township, NJ (formerly of Union City, Ridgefield and Palisades Park, NJ) passed away peacefully on Thursday, January 28th.

Dominick is predeceased by his parents Dominick Pasqua DiBisceglie and Phyllis Rippicandidi DiBisceglie, brother Vincent DiBisceglie, and his beloved wife Janet LeCause DiBisceglie . He leaves behind his sister Lu DiBisceglie Cartwright and her husband Don, son Bruce and his wife Kathy Duffy DiBisceglie, son Gregory DiBisceglie and his husband Luca Stefani, daughter Janine Nolan and her husband Anthony DiCosimo, son James Patterson, and his adoring grandchildren, Liz DiBisceglie, Tim DiBisceglie, Ryan Nolan, and Dean Patterson, as well as many dear nieces, nephews and cherished friends he met along the way.

Dominick was born in Jersey City. He had a knack for design and, after graduating from Union Hill High School where he met his high school sweetheart and first wife Anne Boesch, he went on to study at the Fashion Institute of Technology. He became a designer at Carolace Embroidery where he worked for over thirty years, then took up painting and furniture restoration in his retirement. He was an avid tennis player, cub scout master and youth sports coach. He was a proud member of the Italian American Association of the Township of Ocean. He enjoyed caring for and racing horses, spending time by the ocean, bocce tournaments with his beloved friends at Rolling Meadows, tailgating at New York Jets games, and fishing on his boat, but of all his passions and accomplishments, the greatest in his eyes was his family.

Dominick's family is comforted in this time of mourning by the memories of the radiant love that he and Janet emanated. They remember Christmas Eve as the best day of the year simply because being with the two of them made it so special with their traditional dinner and Christmas carols. They remember summer vacations in Wildwood Crest and waking up before the sun to watch it rise over the ocean with Grandpa (and even better, to watch his never-fading awe at the sight). They remember how next to him at the dinner table was the best spot to be because they were lucky enough to hear his jokes. They remember him playing football with them and their friends. They remember him always on the sidelines of soccer games, basketball games, dance recitals, plays. Dominick always showed up for the people he loved. He was - above all else - a family man to his core and his love remains strong in the hearts of his family and friends.

Visitation will be held on Sunday, January 31st at Bongarzone Funeral Home in Tinton Falls, NJ. Relatives and friends are invited to join in remembering his wonderful life from 11:00 AM until 1:00 PM. Because Dominick lost his wife to multiple myeloma in October 2020 just months before his passing, contributions can be made to the Multiple Myeloma Research Foundation in his and sweet Janet's memory in lieu of flowers. \*\*Due to limited capacity, we ask that you keep your visit brief so that all guests will be able to offer their condolences. Masks must be worn on the nose and mouth inside the funeral home at all times. Thank you for your kindness during this difficult time.\*\*

“ I had the good fortune to work closely with Dominick for many years at Carolace. I considered Dom to be a valued friend. We had a lot of good times together. Dom's wife, Janet, was also a gem of a person and it saddened me greatly to learn of Janet's and Dom's passing, just last night. May their memories be a blessing to all who knew them. My best wishes and condolences to Bruce, Gregory and Janine who I knew well as kids.

Most sincerely,  
Marc and Carol Rosenblatt  
Hollywood, Florida

“ There are so many things that make Dom a special and impactful man. The love he shows and the way he models it for his family are first and foremost. Nothing keeps him from being there for the ones he loves. His thoughtfulness allows him to engage with those he loves in numerous and personal ways, each driven by the needs of those he is with during the moment. Dom's appreciation for the gifts God has given him span from the ordinary to the extraordinary. His gratitude for the gift of presence continues in his family by way of their countless acts of caring and love. His wonder at God's creation is also shared with his family. Each of us has surely experienced the opportunity to see the world through this lens of awe, as cultivated by Dom. Though his physical presence will be missed dearly, we will be forever blessed by Dom's marvelous spirit.
