“ I do not know what brought my mind to Dori today but I had been thinking about her and was going to look her up this evening to just reconnect. That is when I saw the news and am really shocked and sad for her family.

I am a Reiki Healer and Massage Therapist, I volunteered under Dori about seven years ago. She was a kind, thoughtful, energetic and fun lady. I am so grateful that I experienced time with her, I have lived in California for 3 years and used to bump into Dori in the supermarket or neighborhood so we kept in touch that way. Since moving had lost touch, my thoughts had Dori in them today and obviously for me to see that she had passed away suddenly and so I can pass on my condolences and also express that Heaven has a great Angel helping them now.

Love to her family at this difficult time.

“ I worked with Dori at Continental Insurance data center in Neptune. Such a delightful person. Later in life, my father was in a rehab center. In emails with Dori, she told me she travels there from time to time and would stop by to say hello to him. Dori did visit him. When I called my father, he related that he was visited by a lady who said she worked with your son and just wanted to say hello. That was Dori. God bless her. May God comfort her family.

“ I had the privilege of working with dori. She was so warm, funny, and full of knowledge. I thought of her often. I'm so sorry she is no longer with us. But the Angels have gained a friend for sure!!

“ Dori always had a smile and encouraging words for everyone. She loved life and listened to you with her full attention. She was my hospice boss, Reiki and Bon friend, and fellow shopper at Lowes, Criterion, and Calgo Gardens. Because of her I met some amazing beings, including one of my rescue cats. Miss her so. Love,

“ *Dori and I were friends for many years. Her gentle kindness was wonderful to experience. RIP dear friend. My mind is still not able to accept your loss, not only for me, but every person that you helped. You were God's angel here on earth and now you are with him in heaven.*
