“ *I will always remember the countless lunches my brother John and I
spent with Aunt Dorothy and Uncle Lloyd. Aunt Dorothy was always
busy preparing an appetizer, entree, and then dessert. She would
then join us, and we would reminisce about the good old times we
experienced as members of the Vaccarelli Family. God Bless her. I
will miss her. Frank J. Vaccarelli*

“ *The Vacarellis were our neighbors in Fair Haven for many years. They are the fist people we met when we moved here. Dr. Vaccarelli was our dentist. Mrs. Vaccarelli had us over from time to time to give us goodies. Sandy, their daughter, joined the beach club with us every summer. They would have big family gatherings many Sundays and we would watch many little ones running around playfully outside.*

After the older Spears children moved away, Mrs. Vaccarelli was there for my 2 half-sisters. She would watch them and have them over for treats. The Vaccarellis were a big part of our lives through the years...never to be forgotten.

I know Mrs. Vaccarelli has been sick for a long time and that she is now in heaven at peace. May she rest peacefully in eternity.

“ Dear Sandy, John, and Kim, Both Grandma Dot and Boopsie will always be fondly remembered by my family. They were kind, loving, gentle people who were wonderful to all the children growing up on Wittenburg Court. For sure, Dorothy is up in heaven listening to Boopsie playing his harmonica and entertaining everyone there!

Sandy, John and Kim, Sorry to hear of the passing of Grandma Dot. She and Dr. V were almost like surrogate grandparents to Daniella and Marisa. Tony Croce

Sandy and John, I will remember your mother Dorothy as a lovely lady who made many contributions to our VBS during the years Sandy was teaching here. Also, I remember meeting her a number of times when I visited Kensington Court (now Arbor Terrace). Still, it is difficult when we lose a parent, so my prayers are with you at this time.

Love,
Donna Nilson
