*Ed Wood was one of the best neighbors anyone could wish for. He was thoughtful, generous with his time, always had a good word for everyone, and had a great sense of humor. He chauffeured one of my daughters to her wedding, and drove my granddaughters to the Tarrytown, NY train station, so they could go home to Vermont. (There was a very funny story attached to the train trip, and we still chuckle about it!) Ed's gardening skills were breathtaking, and he will truly be missed by many.*
