“ *Eleanor's family:*

*My sincere condolences to all family members, but especially to Marcia, whom I knew years ago through her mother, Richmae. Eleanor's mother, Hazel Gelzer, whom I called Sha Sha, was the midwife at my birth. Eleanor and Sha Sha were more family than friends. Eleanor was always warm and caring. When she turned 80, she was so happy to have reached that age. She was so much a part of St. Augustine's and my life. She will be missed. I cannot attend the services because of work in Jersey City.##imported-begin##Carolann Ashby Nicholas##imported-end##*
