“ Wow, I can't believe this, I was an aide of hers that took care of her and she was a loving soul always encouraging me to keep in school and talking to me about her accomplishments, her deceased husband and kids. I will miss her spirit she always remained happy no matter what and said when her time comes she will go be with her Heavenly father and her husband. Sorry for the lost to her kids because I know they truly loved and cared for there mom from the sacrifices that they all made. God bless and know that Jean is resting looking down at you guys, you've gained an angel that will be a guiding light for you guys.
