“ To the family of Frank and Margaret Leskowich: Hello. We live at Seabrook Village and shared a number of entertaining and enjoyable meals with your folks at the Fireside Restaurant. Frank and Margaret were totally devoted to each other, and it was heartwarming to see. It was a terrible loss for Frank when Margaret passed away. The last time I spoke with Frank was 5 weeks ago...we were each collecting our mail at the boxes in the Lobby. Frank was a lively conversationalist, and he seemed to enjoy reviewing every single member of the Leskowich family, his children and grandchildren alike. He was so proud of each of you. His mind was sharp as he told several tales of family life and all of your accomplishments. He seemed to relish your educational accomplishments and your career successes. He went down the list of each family person, he was nostalgic, he was satisfied, knowing he and Margaret raised you in fn faith and love and had supported your dreams. That's what I will remember about Frank, a good man who lived a life of hard work and integrity. Blessings on all of you.Sincerely, Diane Curley (and Susan Waters) SC119
