“ *I played softball with Fred for about 15 yearshe was a great
pitcher ,teammate and friendQuiet but always had a dry wit and
comment to make you laugh on the benchmany times we sat
together on the bench between innings and laughed and joked and
had a few sarcatic comments that cracked each other up...i was the
catcher and Freddie the pitcher all those years together and if you
know basebal, pitchers and catchers bond and you couldnt help not
bonding with Freddie , as he was one of the nicest guys on that
team ...i havent aeen Freddie in many years but always fondly
remeber all the years we played ball together 3 and 4 days a week
for years ...and Judy faithfully cheering us on ...he always gave it his
all and was a great friendRest in Peace my friendKEVIN

God bless the Richardette family. I can attest that Fred was one of the best people you could come to know and work with. Kind, Bright, Caring and Good to all who interacted with him. I join in prayer with you, as God accepts Fred into his kingdom.

I worked with Fred at Concurrent Computer a long time ago. Fred was a great person and very smart. He always took the time to explain things to you especially the more inexperienced technicians like myself. He would drop whatever he was doing to help someone in need. I never heard him say a bad thing about anyone. He was a true gentleman and a person that I looked up to as someone to strive to be like. While he is no longer with us, just knowing him made this place a whole lot better! God bless him in heaven. May God look over, guide, and bring comfort to his family through these difficult times. We will miss you Fred!
