“ Dear Debbie, David, and Joe,
My deepest condolences to you and your extended families. I was so saddened to hear about Gary’s passing. (Having spent a great deal of my teenage years at the Drum house) I have nothing but fond memories of Gary. Gary was a great guy, with a big heart, and a great sense of humor! Getting his license before us, he was also our 1970’s version of “Uber”; our chauffeur, driving us around in the old station wagon. His laughter, long blond hair, mustache, and youthful good looks is how I think of, and continue to remember Gary. I hope the fond memories you have of Gary will bring you peace.
Lots of love,
Jan Green
