“ *I worked with your Mom at Ft Monmouth & traveled with her for work. She was a such a kind & patient person. She never lost her temper or got flustered--knew what she had to do & did it. After retirement we renewed our acquaintance. I visited her & had dinner with her at Seabrook, traveled to Atlantic City & I was honored to be invited to her 80th birthday party.*

The world is a better place for her having been here--she was a true lady!

I send my deepest sympathy to all of you.
