“ My condolences to George Wyville’s family. I was his co-worker from The Port Authority of NY & NJ, working in the WTC Construction Dept. George was always a kind soul and genuine person, giving me his civil engineer advice whenever I needed it. He was a big kidder and would always make me laugh. He spoke highly with love and care for his wife, kids, 2 dogs, and cats in the back yard. I pray God will comfort and care for you all while you celebrate his legacy that lives on... God rest his soul. With sympathy, Karen Bolten

“ *Rest in peace cousin George. Lots of good memories on Bentley Ave. from playing pool in the basement to cards with Uncle George in the living room to dinner on the long dining room table with Aunt Eileen, to boating on the Carol Ann and visiting your family during summers in Sea Gert. Always a good time with the Wyville's.

I'm just finding out that George has passed. We were great friends when he lived in Leonia. We both had great Jersey City Roots. I would visit George on Bentley ave from time to time. Also shared an affinity to Spring Lake and Seagirt. We had spoken last in august of 2001 after many years of separation. I saw his photo above and could not help but smile thinking of our times together.

My cousin George was fun, funny with a great sense of humor and you all know a wonderful laugh. He was kind, considerate and thoughtful. We shared many adventures together. Thinking of George I see him cooking, playing cards and enjoying being with all our families. Hanging out in the Park Tavern. We all have tremendously fond memoirs of our home town Jersey City. George one time said to me you could pick me up from anywhere in the world blindfold me and drop on Bentley Ave in the springtime and I will know where I am from the smell of the block. George will be greatly missed,
