“ I am sad to hear of Patrick's passing. He and I were friends during the "glory days" when he played with the Jersey Boys. So many great times were had back then. A high point for Patrick was the night Clarence Clemmons jumped om stage and played his sax. Heaven just got a great sax player and sweet person for the band. Heavenly rest and peace,my friend . “ I am so saddened by the loss of my dear friend, fellow musician, and brother-in-law, Patrick. He was a special person, my fellow bandmember all through Bayshore Jr High and Middletown South, and was loved by so many. I can't be there for the viewing since I live in Florida, but I'm there in spirit. We will miss you forever,Patrick, especially when we hear a beautiful tenor sax playing! Now you're in God's band now. Let HIM hold you and keep you. Rest in Peace Saxman.##imported-begin##KATHERINE PRAYDICK-MEO##imported-end##
