“ *My sincere condolences to the entire family.*

Gerald and I went to middle and high school together until I left when we were going into our Sophomore year. Throughout the years I thought about Gerald often and was lucky enough to reconnect with him last year after 30+ years.

I must say he was the same sweet and funny person that I remembered. He grew up to be a wonderful man with wonderful manners as well.

It was great to be able to talk to him and spend the time that we did together. He made me miss his friendship even more than I did.

I am honored and blessed to have had him in my life.

My thoughts and prayers are with you all.

I will truly miss him.
