“ *To The Marchetti Family,*

*There are no words to say except god has taken another good angel. Gloria will always have a place in my heart for being the most kindest loving person I have known . It was always her smile when you walked up to her that made your worries go away, her gentle laugh and knowing just what to say. She will me missed dearly but never forgotten. May her smile always be remembered and her kind ways never be forgotten. Rest in peace Gloria.*
