“ Mom, tomorrow is one year and it does not get easier. There is an ache, it may be a slight or a dull ache some days but it is always there. You are missed, even though the last few years you were failing, to know you were there was all that was needed. Now it is empty and no one can take your place. Love you so much.

“ Mom, it's one month today without you and just thinking about you brings tears to my eyes. You are missed so much. Especially this week when I stopped by to have my cup of tea with you only to stop by and realize that I could not do that anymore. It hit home that you are gone forever. I love you and have a Happy Mother's Day in Heaven.
