“ I am a district manager for now Wells Fargo but have know Heidi  
through the years working in Monmouth County. Her smile would  
light up a room always, she was one of the nicest people I have  
know in my whole life and can't express my sympathy enough to the  
family and all that knew her as she is such a loss to all that knew  
her. I must say that every time I think of her I do smile just  
remembering her wonderful outlook on life. She often spoke of her  
family in such high regard and we both spoke of Naples often. She  
holds a special place in my heart.

Her face lit up when she talked about her children and grandchildren. She was such an amazing lady-and I will really miss her.##imported-begin##Jeanette Trabilcy##imported-end##

AW

Heidi was a bookkeeper in the 80s and I was as 18 year old kid working the front desk at the Holiday Inn/Ramada Inn West Long Branch.  
I hung out in her office, often ignoring the phones, as we were talking about Germany. Where my grandparents are from so we had a lot of conversation to bring us together. She could always make me laugh. And I could do the same because we both had German roots. There was so much for us to play on. We had a great time working together. I just learned that she passed away nine years ago. Very upsetting. I wish you well Heidi. You truly have a heart of gold.
