“ Karen & Family,

My sincerest & deepest sympathies go out to your whole family at this time. During these next few days, weeks, months & years, you'll be able to remember all of the great times you all had together. I understand it isn't easy loosing someone at such a young age. I know, I lost my best friend when I was only 16. To this day, I still think about her and the great times we had. I often wonder what she'd be doing now if she was still with us. I'm sure that you all will come to terms, if not already, with the passing of such a wonderful and giving man. My heart and my prayers are with your Dad/Husband/Friend and of course your family. Be safe, be kind, be loved. - Laurie (Karen's co-Worker & Friend)##imported-begin##Laurie Bodzas##imported-end##
