“ It's been a few months since I lost a (GREAT) grandson. Jake was part of my life and a part of my heart which remains broken at his loss. Every time I saw Jake I got the biggest Bear-Hug of my life. I miss him today and will miss him the rest of my life. At his funeral there were more friends and even strangers who felt Jake somehow in their life. Please God, take care of Jake and let him know I look forward to my next Bear-Hug ...Love you always. “ I had the honor of having Jake come with mason and myself to some sporting events. Always a nice respectful young man. I'm so sorry for his family and freinds. His freinds got together at masons the day he passed. Sitting there listening to Sug stories as they mourned him. Great freind to all the boys!!!

“ I was lucky enough to know and spend time with Jake. He was such a kind, caring and sensitive young man! Always worried about other's feelings before his own. He was friendly and warm. Jake was also a talented photographer. I printed and still enjoy some of his photos. He loved his family more than anything! And his family loved him! Jake will be missed dearly 💔! Marlene
