“ Jeanette, I tried to beat the clock after work to see your face one last time but sadly the doors were already locked =(I will just remember how beautiful you looked on your way to A.C last week, how perfect your make up came out that day, extra special. You always made me laugh, even when you were mad if the soup was "ice cold" or if they had carrot cake AGAIN! lol I will truly miss you, I love you and thought of you as part of my family. You were the best and I will think and speak of you every day. I hope heaven has a good lo mein waiting for you. xoxoxoxoxoxoxoxoxoxoxoxo The Chelsea won't be the same without you and you will be missed by all.

“ Grandma, so many wonderful childhood memories will forever live on. I will never forget riding around with you and Grandpa and going out to eat, or hanging out at the VFW. You were always the place we gathered for holidays and knew that we could always leave with leftovers! We would sit around your table and play gin rummy and you were a fierce opponent! You are now at peace with your family who has surely welcomed you with loads of love. You will be missed xoxo. Love you Grandma!

“ One of my fondest memories of Jeanette is when we were both on her porch in East Brunswick an a young man on a motorcycle got hit my a car on Old Bridge Tpke. She ran over to him an held his head until the ambulance came. The young man lost his leg an she didn't want him to see that it was gone. So she made sure to not let him look. I have to say I was amazed how she handled every moment.

“ Grandma,
Some of my favorite childhood memories include you. I'll never forget spending every Christmas with our whole family at your house. You always made enough food to feed an army, and we all loved it! Thank you for giving me my amazing mother and creating such a wonderful family for us. I know you are with all of the special people you have missed for a long time. You will be greatly missed! I love you!
Love,
Jamie
