

Joao Jose Guiomar

November 25, 1960 - August 20, 2024

Joao Jose (John) Guiomar, known to most as “Johnny G,” passed away unexpectedly on

August 20, 2024, with his sons by his side.

Born in Lisbon, Portugal in 1960, he began traveling the world with numerous trips to Jersey,

England. He then spent his early-adolescent years in South Africa before settling in Long

Branch, New Jersey in 1977.

From the time he could walk, John started kicking around a soccer ball and went on to become

an amazingly talented soccer player! In 1982, he was the recipient of the McDonald’s All

American Player award for the Brookdale Community College team. He was a die-hard

Sporting fan and shared his incredible skills not only with his sons, but also as a coach for local

youth teams. John continued to stun and astonish on the field scoring the majority of goals for

every team he played with right up until his last game this June at the age of 63.

John worked so hard all his life- first as a busboy then a bartender at some of the area’s most

popular restaurants and bars. Finally, John established the iconic Springdale Cafe in Long

Branch where he was able to share his gift of entertaining and hosting and created fabulous

memories not only for himself, but also for countless locals.

In 2004 and 2005, the proudest stage of his life began when he became a father to his two

sons, Joseph and Andrew. Raising his boys was truly the most important thing in his life. He did

everything he could for them, teaching them the many life-lessons he learned and instilled in

them the importance of hard work, perseverance, generosity, structure, and even his sense of

style. He was a devoted father who cared for them endlessly and shared everything he had

with them. The three of them had an unbreakable bond, even their own lingo, and his

uniqueness will continue to shine through them.

In addition to his passion for soccer, John loved to travel, especially home to Alcabideche and

Cascais in Portugal as well as to Negril, Jamaica. A perfect day would include a morning bike

ride and other types of training, some sun and swimming at the beach then his pool, a soccer

game on TV, and, certainly, time with his family.

Joao is predeceased by his loving parents Laurentino and Amalia Guiomar.

He is survived by

his two beautiful sons, Joseph John and Andrew Michael Guiomar, who will honor their father,

carry on his legacy and continue to make him proud.

John also leaves behind numerous loved-ones, family, and friends who all feel

privileged to
have been a part of his life.

The Long Branch community is mourning the loss of Johnny G, who passed away on August 20, 2024. His two sons, Joseph and Andrew, are now left to navigate life without their beloved father. John was a pillar of the community, known for his generosity and warmth.

This GoFundMe aims to support Joseph and Andrew as they adjust to this new reality. The funds raised will assist with their immediate and future needs, ensuring they have some stability during this trying time.

Even a small donation can have a big impact. Your support would mean a lot to Joseph and Andrew as they work to rebuild their lives.

I can't believe that he's gone in his mother and father. Such a legacy it's really unbelievable. They have to remember that they're with God now and we also have to remember life is so short we don't realize it so it happens to the ones we love. He was the good guy I had more of a relationship with his father and mother but they were pretty good family and it's so sad God bless them rest in peace
